

2020 NFA PARTICIPATION AGREEMENT FOR ASCAP, BMI, AND SESAC PARTIES/DANCES/CLASSES

American music composers and publishers typically join one of the three performing rights organizations so that their copyrights are protected. The performing rights organizations are the American Society of Composers, Authors, and Publishers (ASCAP), Broadcast Music, Inc. (BMI), and SESAC. The National FastDance Association has negotiated and entered into Licensing Agreements with all three organizations. NFA members may come under the blanket license umbrella of protection through our Licensing Agreements with these organizations.

To obtain music licensing from the NFA, we ask for a Participation Agreement acknowledging that the above is understood and that the member wishes to comply with National Copyright Laws.

A separate agreement is required for each event.
